

MEETING MINUTES
CORTLAND COUNTY AVIATORS
OCTOBER 19, 2006

Meeting called to order at 6:45 by Roger Zilliox, V.P.

Congratulations to Casey Barney on becoming a new Private Pilot!!!

Present: Tom Collins, Roger Zilliox, Amy Jones, David Jones, Tom Richards, Rick Roberson, Dan McLaughlin, Casey Barney and Scott Stafford.

Minutes from meeting on September 28, 2006 were reviewed and approved.

OLD BUSINESS:

Election of a President was not decided due to lack of members. However, Roger Zilliox has volunteered to be "Acting President" until we have a President in office.

Treasurers Report: Reviewed by Amy Jones. Amy mentioned she now has an account established in Quick Books. Anyone wanting to review the account can see her.

Adoption of a mission statement was not decided due to lack of members.

Tom Collins suggested having just one picnic a month next year, and advertise it on the Website, and possibly sending flyers to other airports. David also mentioned having a backup plan in case the weather is bad. Suggested a learning seminar, etc, but this should be decided by the Picnic Committee once the committee members are in place.

The organizing of committees was not established due to lack of members. Roger is encouraging all members to try to attend the next meeting so we can get the committees established so we can focus on the “fun” things we want to do.

NEW BUSINESS:

Roger asked if we wanted to continue to spend the club’s money on food for each meeting. Roger suggested that members bring snacks to the next meeting. This motion was seconded by Rick Roberson. So, if everyone could bring some kind of a snack to the next meeting, it would be appreciated.

Roger talked about the AOPA Airport Support Representative, who is currently Stanley Solow. Roger emailed Stanley and invited him to our meeting but he didn’t hear back from Stanley. Roger would like to see Stanley attend our meetings or volunteer stepping down so someone from Cortland Airport could be the representative. David knows Stanley and he volunteered to call Stanley and talk to him about this issue.

Roger stated he would like to have everyone attend the next meeting. If we can have everyone attend the meeting, we could get a lot of the “business” taken care of, so we can focus on having fun, which is why we all wanted this club established. We all realize that forming committees, electing officers, etc is not fun, but in order for our club to operate in an effective manner, be organized, we need to take care of the elections.

Roger mentioned the meetings are for having fun, friends getting together, and planning events. If you have an issue please bring it to the meeting. We can discuss issue at hand to find out how others feel. However, if other members are not in agreement, we need to forget about the issue and move forward.

NEXT MEETING:

November 16, 2006 at 6:30, at the FBO. We hope to see more members attend this meeting. **If you are not able to attend this meeting, please send Amy an email: amy@fbocortland.com.** If she doesn’t receive an email from you, we will assume you will be attending the meeting.

Meeting was adjourned at 7:12 by Roger Zilliox.
